Chris Irvine

Hi, my name is Chris Irvine and I would like to be part of the Board of Directors. The Red Cliffs Rifle & Pistol Association has been a part of my life since 2012. After being a regular customer for some time, I was asked to become an RSO and I agreed because I have thoroughly enjoyed my time shooting at this range. Firearm safety is important to me. I went through the RSO course and have since enjoyed my time volunteering as a RSO. Over the summer of 2016 I also completed the NRA Rifle and Pistol instructor classes. Recently I've completed my electrical apprenticeship and school which has given me more time to spend doing things I enjoy, specially spending time at the range volunteering, participating in competitions, and improving myself as a shooter. I have particularly enjoyed the time I have spent meeting new people, teaching customers, students and helping them become more familiar with their firearms. It's always a good day at the range. Thank you for your time and consideration.

George Ghio

Hello, my name is George Ghio and I have been nominated to run for the Board of Directors for the Red Cliffs Rifle and Pistol Association. I will be honored to serve if elected. The Association has come a long way since I first joined, but we have more to do to improve the range. Some of the items I would like to see are; (1) training bay 3 extended to 100 yards is an absolute must; (2) all of the berms on the main range need upgrading; (3) Except for maintenance days, I'd like to see us open on Mondays to better serve the public; (4) open up pistol bays for the public to shoot steel; (5) hold rifle and pistol instruction for the public with our NRA certified rifle/pistol instructors, and (6) I'd like to see us encourage more shooting events for women. Additionally, I am the current Chairman of the Shooting Sports Park Advisory Board and function as the liaison between Washington County and our Association. Thank you for your consideration.
