

Dear Red Cliffs Rifle & Pistol Members,

I would first like to wish you all a wonderful Thanksgiving and hope that your celebration is not only a turkey dinner but includes reflecting on all of God's blessings. As a reminder, the range will be closed on both Thanksgiving and Christmas.

Our November Board Meeting was the last formal meeting for 2022. The next stated meeting will be on January 6, 2023, at 12:00 noon. The December meeting is actually our annual club dinner on December 3. Just as we did last year, we will again have special awards and recognitions of outstanding volunteers to be recognized for 2022 at this year's dinner.

Throughout the year, we have had several agencies, companies, groups, and privately owned businesses use or rent our range for a wide variety of reasons and events. The money generated from these groups has enabled our club to purchase T 500 steel targets systems for some of our bays and eventually all of our shooting bays. Also purchasing additional canopies for uncovered bays and updates to the main range, and many more improvements for the enjoyment of the members and the shooting public. Below are some of the companies and organizations who rent or use our range:

- Civilian Marksmanship Program - both rifle and pistol
- Brinks armored services
- Huntsman senior games
- Bruce Furr's Fun Shoots
- Utah High School Rodeo
- Popke Defense Solutions
- Don't be a victim
- Concealed carry courses
- Woman's handgun courses
- Modern Warriors
- SUPS (Glen Wong)

I recently acquired a portable building that was donated from Washington County. It has been designated as the new (used) maintenance building for Ed Cook and his maintenance crew. With this new addition, Ed will be able to better manage the overall daily maintenance duties, responsibilities, and work load necessary to keep our range in good operating condition. It is located near the main range restrooms.

We have 5 spaces available in the December 3 (am) CPR/First Aid for anyone interested in receiving this certification, including non-members. Please contact Tami at 209-352-2805. There is a fee.

Thank you again for your membership to the range and to all of you that have volunteered and contributed to the improvements to the range. I hope you have a wonderful holiday season.

It is an honor to serve you.

Sincerely,

John Popke, President
