Maintenance Committee

Tom Cullen reported he spoke with Infowest regarding the internet signal no longer working. Due to the high berms recently constructed, we need to mount the receiver up 12 to 17 feet high. He will be purchasing two 10' threaded metal pole sections and attempt to regain our signal. The next range maintenance day will be Tuesday, July 7. Announcement will go out via email.

RSO Scheduling

Tami Popke reported on a recent email she sent to all RSO's and RAO's to reply with their current volunteer status. Several still have not checked in, and scheduling still has most of the month of July short of volunteers. Pres. Ghio announced he will be sending another email out. Patti Rogers volunteered to back up Tami during her vacation if needed.
