Canopies: A Bays: A1-A5; C Bays: C1-C4; D Bays: D2, D4-D5 have canopies. We have three canopies left to purchase and install.

The canopies were installed for one purpose: provide shade for the shooters and observers. They were not installed for people to shoot under. The County requested we place the canopies so they can get a dump truck and tractor into the Bays.

We would like to purchase two folding metal chairs for each Bay. We can purchase 28 metal folding chairs at Walmart for \$450. We will install hooks on a leg of the canopy in each Bay and hang the chairs from the canopy. They will not blow away like we have experienced we plastic chairs. Greg thanked members for their donations.

John Popke updated members on rumors such as the purchase of the mobile home, amount paid and then additional \$20K that we put into it.
